

cewas middle east

Internship cewas middle east - Lebanon (flexible, 40-80%)

[cewas Middle East](#) is the regional branch of [cewas](#), a swiss non-profit organisation that offers professional training, coaching, mentorship and consulting in business development for sustainable water, sanitation and resource management. cewas Middle East aims to increase the role of the private sector and sustainable entrepreneurship in tackling the environmental issues of the MENA region.

In Lebanon, we are offering an internship at cewas Middle East to support our ongoing start-up programme for water, sanitation and waste entrepreneurship. In addition, you will be able to support other projects within the cewas framework. The internship offers opportunities to network with local and international partners in the development and environmental sector, attendance at relevant events and workshops, liaising with promising drivers of innovation in Lebanon, and hands-on training in project management and administration. Ideally, you should be based around Beirut or be able to travel to the city easily.

Your internship will include the following activities:

- Assisting the project manager with the coordination of start-up trainings and coaching, e.g. scheduling, event management and logistics
- Development of training material
- Assistance with report writing and operations
- Website and social media content management
- Research on policy developments surrounding water and waste management in Lebanon and the Middle East

Requirements:

- Excellent English and Arabic language skills (written and verbal)
- Masters degree **or** bachelor degree plus first practical experience in environmental sciences, business administration, development studies, geography or similar
- Analytical thinking and technical affinity
- Background in humanitarian aid, knowledge of the Lebanese policy landscape an asset

We offer a small financial remuneration for your internship in addition to covering your transportation costs. Please note that our working conditions are flexible and generally home-based, with regular meetings with your project manager in central Beirut. Being able to participate in our start-up training modules (24.-27.4., 7.-10.6., 21.-23.6.) is a prerequisite, which will offer you a first-hand insight into the world of environmental entrepreneurship. Please indicate your availability to participate in your application.

If you fulfil the above-mentioned criteria and are interested in the position, please send your candidature **on a rolling basis, but as soon as possible**, to Hannah at hannah.wuzel@cewas.org.
